

MOUTHPIECE & ACCESSORIES FOR THE ADVANCING STUDENT

So a new step-up instrument may not be in your budget this year. Your child's playing can improve by just playing on a better quality mouthpiece. Below are listed our suggestions for step up mouthpieces. These mouthpieces are good for the intermediate and advanced musician. We have also included a list of accessories for each instrument as well as a general list. For more information, don't hesitate to call your director.
