Summer Band

Summer Instrumental Opportunities

Summer Band will be offered June 22 - July 4. Make plans to come, play some new fun songs, keep your "chops" in shape, and have a great time! Just fill out the attached form and return it to your band director.

Summer Lessons are an opportunity for some "one on one" attention in a private lesson situation. Return the attached form and a private lesson teacher will help your child "blossom" musically over the summer.

*Thank you for giving your child a gift that will last a lifetime. It's been a great year sharing our love of music with your child. This is just the beginning! We can't wait to see you next year!
